

MICE. Business conferences and Exhibition service

Ukraine may offer a wonderful base for all kinds of MICE activities. During the last 3 years Ukraine has made a significant growth in the development of the tourism infrastructure of the country.

The leading cities of Ukrainian MICE market are:

- Kiev is the capital and vibrant metropolis with the ability to host large international congresses, conferences and business meetings at the highest level. The city has a perfect base for all kinds of national incentive programs and sport team-buildings, cultural tours.
- Lviv is a part of Western Europe in Ukraine, cozy and ancient city with the aroma of coffee and chocolate in the air. The entire historical center of Lviv is a UNESCO World Heritage Site. Lviv is an ideal place for historical and theatrical incentives, treasure hunt quests in the old town, beer and coffee tours.

The main benefits to do MICE in Ukraine are:

- Completely new infrastructure of the hotels and venues
- Value for money factor
- Ability to host events all yearround
- Visa-free destination for the majority of the countries
- Convenient air flight connections

Agency of Business Travel and Tourism (ABTT) is a business tourism and conference service operator successfully working in the tourism industry for over 12 years.

The company provide business tourism services all over Ukraine (conference, exhibition, business meeting, trainings, etc).

When the need arises to organize a scheduled event on more beneficial terms, in the best venue, and on the proper level – we are ready to provide a whole spectrum of conference services:

- selecting an event venue (more than 150 variants)
- inviting and registering attendees
- accommodating attendees
- securing technical support for an event
- providing interpreter services
- air and railway ticket reservation, transfers service, hotels accommodation
- catering for attendees
- VIP service for speakers and participants.

If you would like to organize visit or business meetings for your clients to the Ukrainian exhibitions, see details below, please.
