

LVIV RESTAURANTS.

Our own special guide for foreigners.

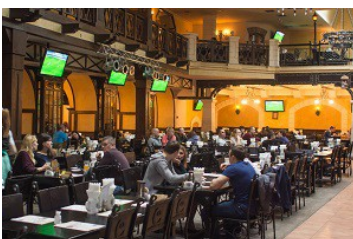

Near the city center

BACHEVSKIH

8, Shevska Str.

Baczewski family and their creation – Baczewski vodka – are the main characters of cheerful Lviv back in the golden times of 1920-1930-es, when our city was a casino capital, and the local variety shows and cabaret were like a honeypot for the wealthy from all over Europe.

STARGOROD

1, Rymlianyna Str.

Big brewery restaurant. Evening show, excursion to brewery and very best Rulka (Veprevo Kolen). You can order degustation set of the beer (4 pcs by 200 ml)

PRAVDA Beer Theatre

32, Rynok Square

Our mission is to give people an opportunity to drink “true” beer. We believe that Lviv deserves to have its own unique beer style, properly recognized all over the world. We, the brewers, are working hard to create this unique style.

DIM LEGEND

48, Staroevreiska Str.

A restaurant in your imagination only. It is a building of a chimney sweeper and his family where Lviv legends live. There is a necessity to clean some chimneys from time to time, so the chimney sweeper takes his car, parked on the rooftop, and passes easily Lviv traffic jams.

KUPITSA

18, Brativ Rogatyntsiv Str.

Live music from Th till Sat, more than 30 types of homemade liquors, very good prices and few variants of Ukrainian craft beer. You can try Bograch soup and chicken shashlyk.

MIASA & SPRAVEDLIVOSTI

20, Valova Str.

An executioner was, in fact, the first municipal employee in Lviv. He had several duties aside executions and tortures. When a constitutional state arrived, the executioner had to look for another job and opened his own meat restaurant because who better knows more about meat than a meat expert? 😊
